GAMERS FOR LIFE

User Manual

1. User of the application:

The users of the application are gamers who are interested in different gaming events. User can view different gaming events and can save their decision to participate in that gaming event. They can also create a new event where others can view that event and participate in it by saving their decision as YES.

2. Registration:

Users can register to application using signup page.

- a. Click on signup button on top of screen
- b. Enter your details and click submit button to register.

You should provide valid details to register.

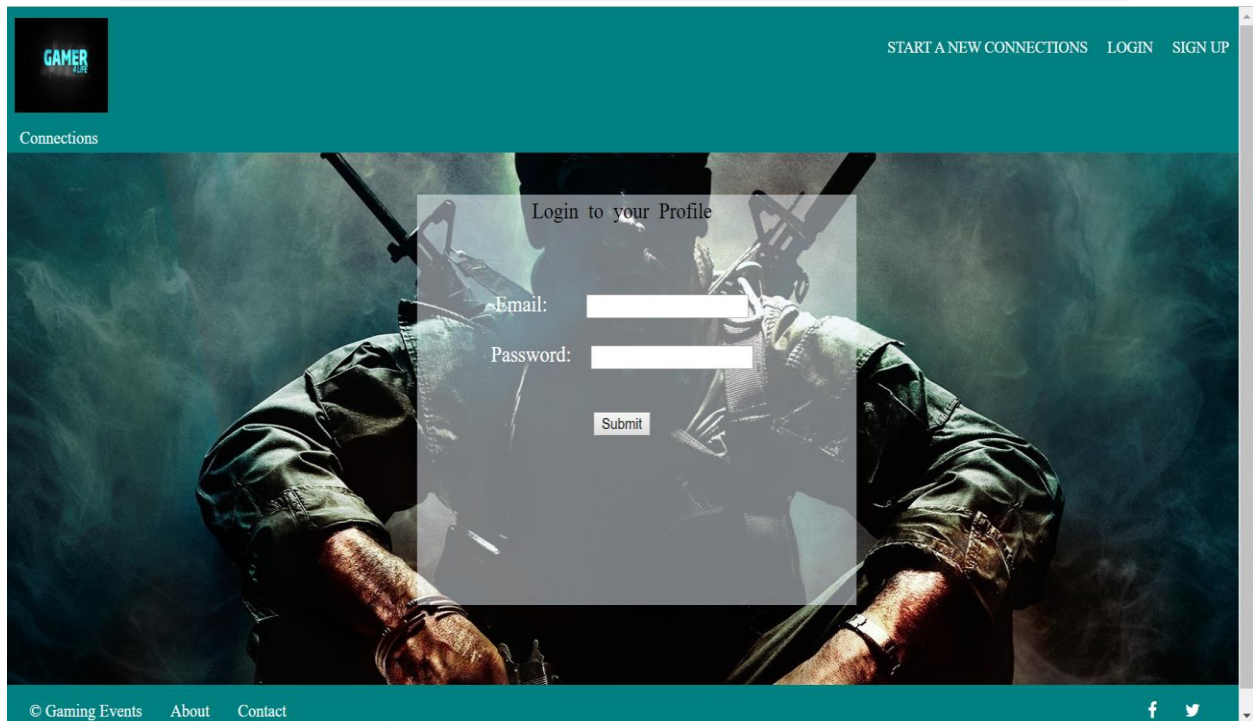

The screenshot displays a web application interface for user registration. At the top, a teal header bar contains the 'GAMER' logo on the left and navigation links 'START A NEW CONNECTIONS', 'LOGIN', and 'SIGN UP' on the right. Below the header, the word 'Connections' is visible. The main content area features a large, semi-transparent modal window titled 'Create a Profile'. This modal contains four input fields labeled 'FirstName:', 'LastName:', 'Email:', and 'Password:', each followed by a white text input box. A 'Submit' button is positioned below these fields. The background of the page is a high-contrast, dark image of a soldier in military attire, holding a rifle. At the bottom, a teal footer bar includes the text '© Gaming Events', 'About', and 'Contact' on the left, and social media icons for Facebook and Twitter on the right.

3. Login:

After registering, you can login to your account.

- a. Click the login button on top of screen.
- b. Enter your credentials and click submit.

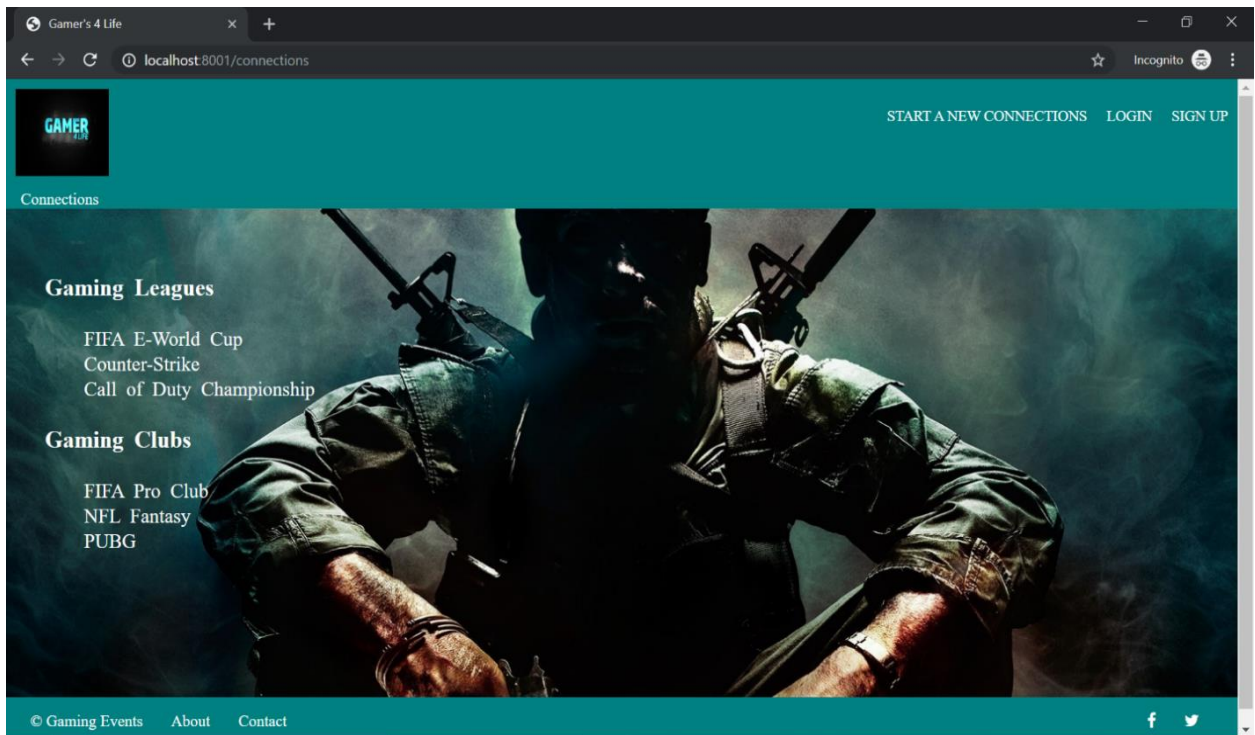

You should valid credentials to login to your account.

4. Connections:

If you are logged in, you can view different events and you can click on event which you are interested.

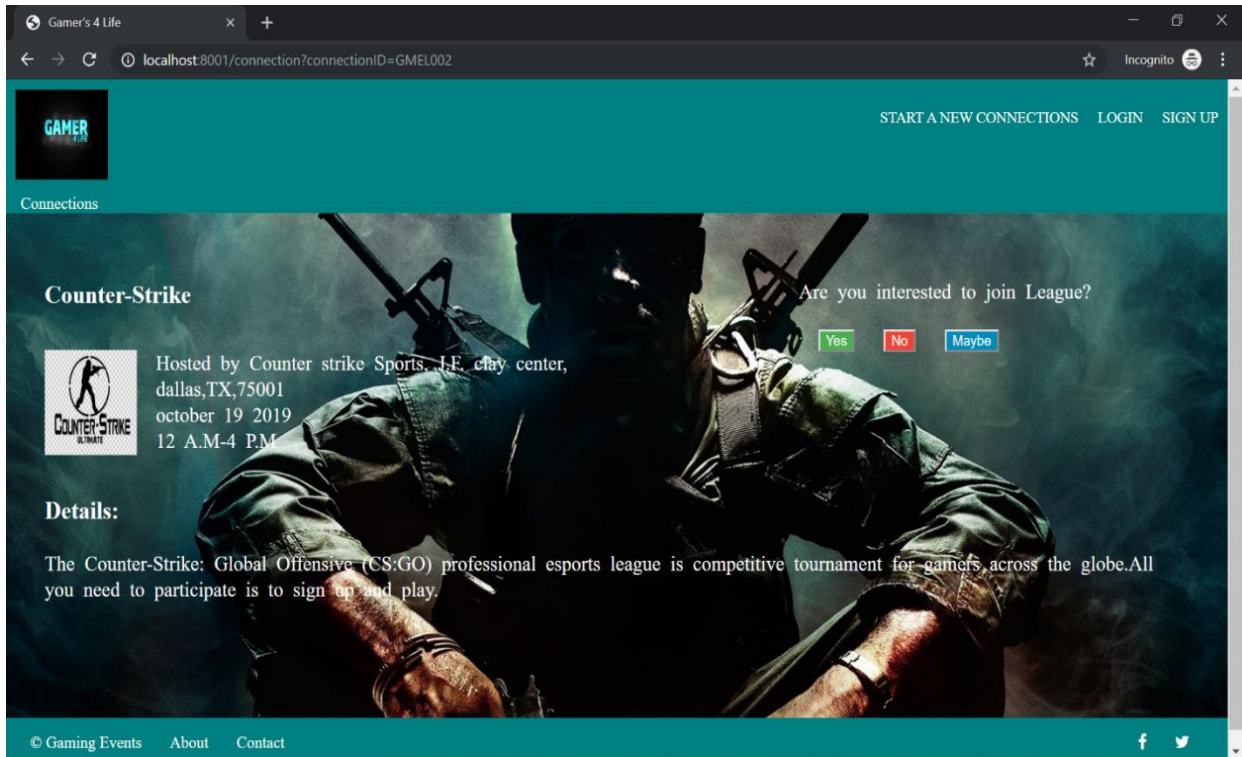

Even if you are not logged in, you can view different events.

5. Connection:

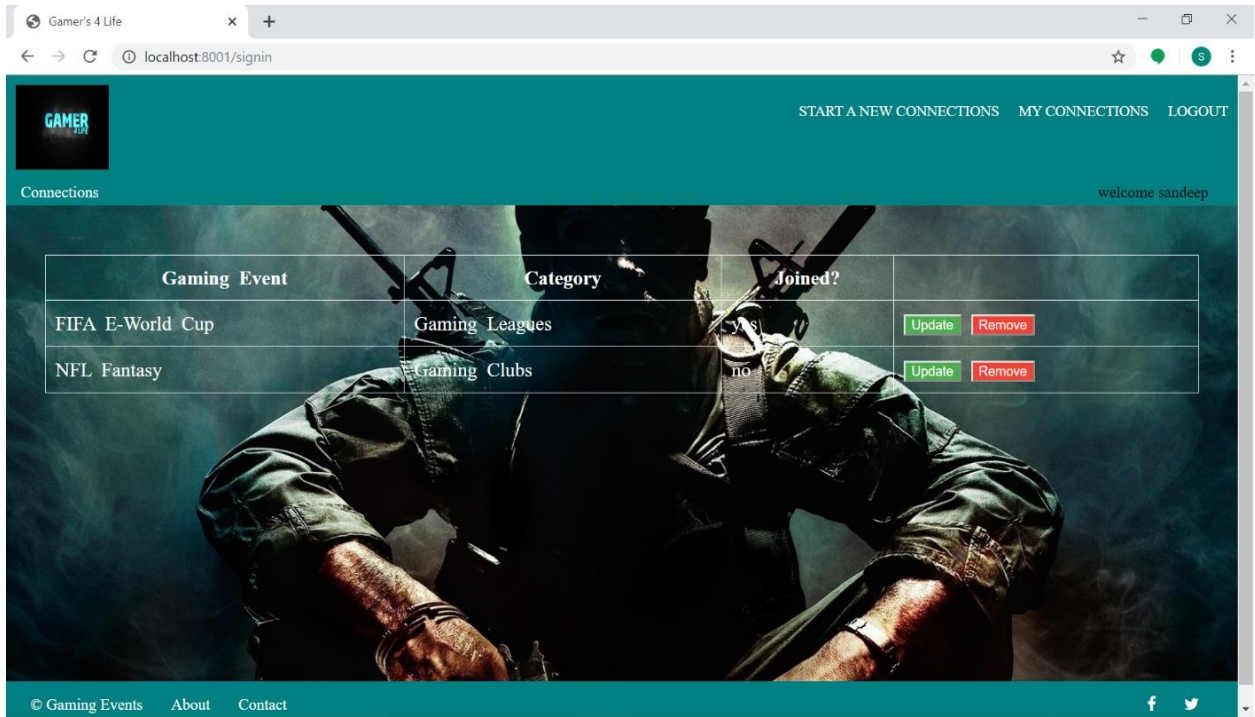

If you are logged in after clicking on event which you are interested, it will redirect you to connection page. It contains a question are you interested in this event with yes, no, maybe options. You can save your desired decision.

If you are not logged in, you cannot save your decision. You need to login to save decision.

6. SavedConnections:

It will give your saved connections with your decisions. It also contains update and delete buttons.

7. Update Connection:

If you click update button it will again redirect you to connection page with yes, no, maybe options. You can update your connection by clicking on any of three buttons. It will save your decision and redirects you to my connections page.

The screenshot shows a web browser window with the address bar displaying 'localhost:8001/signin'. The page has a teal header with a logo on the left and navigation links 'START A NEW CONNECTIONS', 'MY CONNECTIONS', and 'LOGOUT' on the right. Below the header, the word 'Connections' is on the left and 'welcome sandeep' is on the right. The main content area contains a table with the following data:

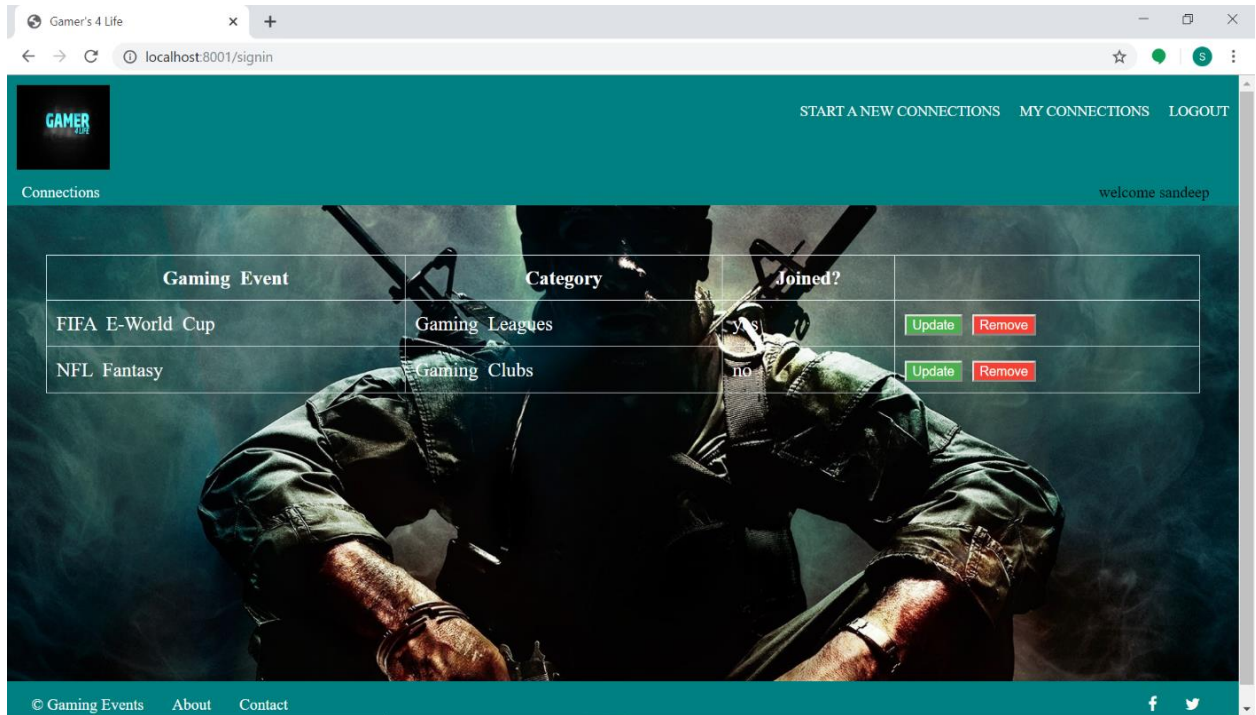

Gaming Event	Category	Joined?	
FIFA E-World Cup	Gaming Leagues	yes	Update Remove
NFL Fantasy	Gaming Clubs	no	Update Remove

The background of the page features a large image of a soldier in tactical gear. At the bottom, there is a teal footer with links '© Gaming Events', 'About', and 'Contact', and social media icons for Facebook and Twitter.

8. Delete connection:

If you click delete button, your saved connection or event will be deleted.

In this way you can update or delete your connections.

The screenshot shows a web browser window with the address bar displaying 'localhost:8001/signin'. The page header for 'GAMER 4 LIFE' includes links for 'START A NEW CONNECTIONS', 'MY CONNECTIONS', and 'LOGOUT'. A user greeting 'welcome sandeep' is visible on the right. The main content area, titled 'Connections', features a table with the following data:

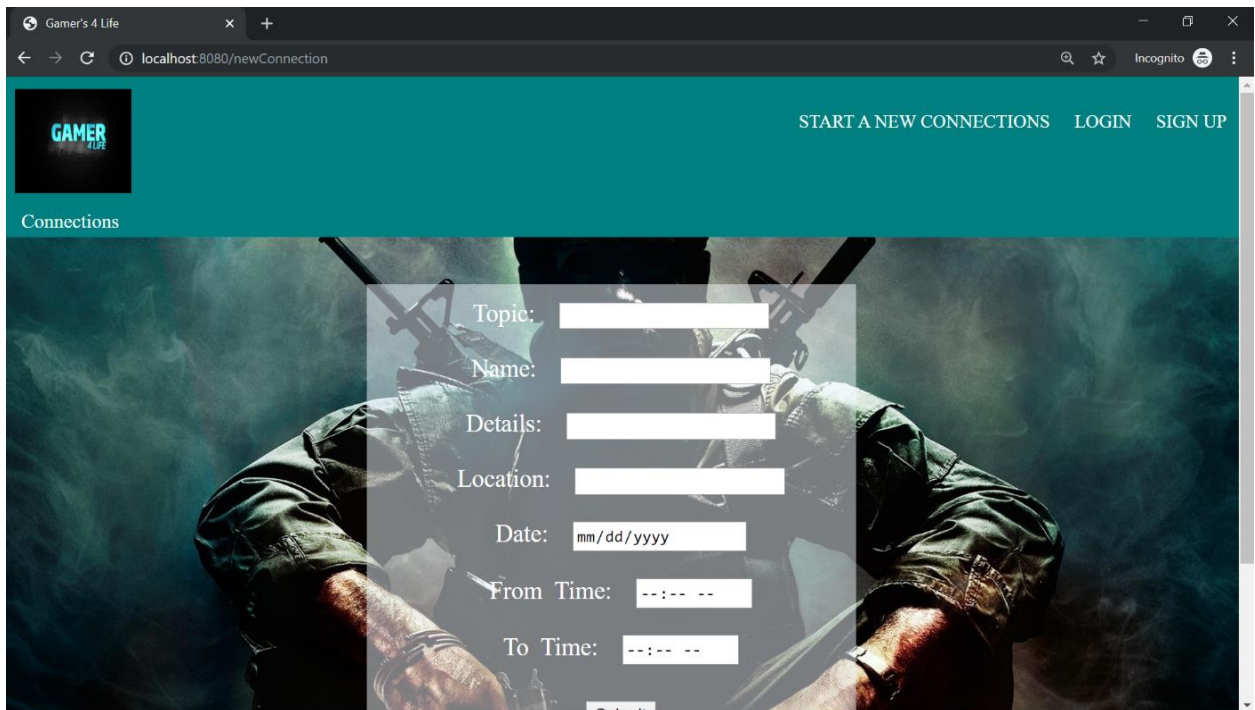

Gaming Event	Category	Joined?	
FIFA E-World Cup	Gaming Leagues	yes	Update Remove
NFL Fantasy	Gaming Clubs	no	Update Remove

The footer contains links for '© Gaming Events', 'About', and 'Contact', along with social media icons for Facebook and Twitter.

9. Start a New Connection:

You can create a new event as well. You need to click on start a new connection on navigation bar, it will ask you to fill event name, topic, location of event, time etc. You need to fill all the details and click submit button to create your own event which will be visible to all.

The fields are validated, you need to give inputs according to that validation.

The screenshot shows a web browser window with the address bar displaying 'localhost:8080/newConnection'. The page has a teal header with a 'GAMER' logo on the left and navigation links 'START A NEW CONNECTIONS', 'LOGIN', and 'SIGN UP' on the right. Below the header, the word 'Connections' is visible. The main content area features a background image of a soldier in a green uniform. Overlaid on this is a semi-transparent form with the following fields: 'Topic:', 'Name:', 'Details:', 'Location:', 'Date:' (with a placeholder 'mm/dd/yyyy'), 'From Time:' (with a placeholder '--:-- --'), and 'To Time:' (with a placeholder '--:-- --'). A 'Submit' button is located at the bottom of the form.

10. Update or Delete created Connection:

A User can even update or delete an event or connection they had created. There will be two buttons “Update” and “Delete” below event in connection page. You can click update button to update or edit details of the event. You can click delete button to delete event.

The screenshot displays a web application interface for 'GAMER'. The top navigation bar is teal and contains the 'GAMER' logo on the left, and links for 'START A NEW CONNECTIONS', 'MY CONNECTIONS', and 'LOGOUT' on the right. Below the navigation bar, the page title 'Connections' is visible on the left, and a user greeting 'welcome sandeep' is on the right. The main content area features a large background image of a soldier in tactical gear. Overlaid on this image is a card for the 'FIFA E-World Cup'. The card includes a small thumbnail image of the event, the title 'FIFA E-World Cup', and two buttons: 'Update' (green) and 'Remove' (red). To the right of the thumbnail, the event details are listed: 'Hosted by EA Sports, 912 MFC center, dallas,TX,75001', 'october 25 2019', and '10 A.M-6 P.M'. Below the event card, there is a section titled 'Details:' followed by a paragraph: 'The tournament is virtual soccer equivalent to World Cup. Competitive gamers will play via EA Sports FIFA 19 Global Series, which features the popular soccer video game'. To the right of the event card, there is a question 'Are you interested to join League?' with three response buttons: 'Yes' (green), 'No' (red), and 'Maybe' (blue). The bottom of the page has a teal footer containing the text '© Gaming Events', links for 'About' and 'Contact', and social media icons for Facebook and Twitter.
